Gascoigne Halman announces 15th Letting Centre opening in Bramhall

24th August 2009

Gascoigne Halman today announced the opening of its new Letting Centre in Bramhall on 1st September 2009. This is the latest step in Gascoigne Halman's continuing expansion in South Manchester, North Cheshire and The High Peak.

Philip Chadwick, Director of Lettings, said: "The opening of this new office in Bramhall reaffirms Gascoigne Halman's commitment to this important and ever growing sector of the housing market. The new centre will be headed up by **James Webster**, presently the Manager at our Cheadle branch, who will handle the Letting of a wide variety of property from family homes to apartments."

James says of his appointment: "I am delighted to be moving to Bramhall. The growth in demand for properties to let in the private sector continues to be very high. Availability and affordability continue to be an issue for many people across the area and as such, private renting is the best available option for many still trying to put a foot on the property ladder. Many people are making lifestyle choices and choosing to rent preferring the flexibility it affords them. With the local market experiencing this increase, the new centre will provide a perfect link to our other 14 offices."

John Halman, Managing Director, commented: "We are very pleased to be expanding our Lettings operation and wish James every success. Our new Lettings centre will further strengthen the Gascoigne Halman presence in the area."

James can be contacted on 0161 439 5555 or by email at letchea@gascoignehalman.co.uk or pop into the office at 9 Ack Lane East SK7 2BE
