Press Release

Gascoigne Halman put their best feet forward for The Christie

As the crowds gathered for the 'Alderley Edge and Nether Alderley Bypass Run and Walk' 19 team members from Gascoigne Halman limbered up to join in the fun in aid of their nominated 2010 charity, The Christie.

The team took a closer look at the long awaited bypass and soaked up the fantastic atmosphere as they participated in the five mile run/walk. Three of team ran the whole length and the remaining 16 team members enjoyed a leisurely stroll to the finish line.

The team raised an impressive £478 for The Christie and commenting on their fundraising efforts, John Halman of Gascoigne Halman said: "It was a fantastic event to attend and an ideal opportunity to raise more funds for The Christie. I am really proud of the team and proud that together, as a company, we are able to lend our support."

The event was part of a year long effort by the team at Gascoigne Halman, to support The Christie charity during 2010. The charity raises money to fund projects at The Christie NHS Foundation Trust which are outside the scope of the NHS. Their supporters help them make a difference to cancer patients, both now and in the future.
