

A Superb New Build Residential Conversion of 34
beautifully appointed 1 & 2 bedroom Apartments

POYNTON, CHESHIRE

Woodview is a high specification, contemporary development by 'Quorum' comprising one and two bedroom apartments. Located in close proximity to all amenities offered by Poynton town centre, it is due for completion in late 2018".

Spacious one and two bedroomed apartments with excellent on site parking. With excellent connections to rail, road and Manchester airport, and on the doorstep of the stunningly beautiful Peak District National Park, Woodview has so much to offer.

This affluent town lies on the very edge of the beautifully unspoilt Lyme Park and the Peak District beyond, but is only a 20 minute train ride from Manchester city centre. Circumnavigated by brand new roads, Woodview will be a similar drive time from Manchester airport, but retains its charm as a self-contained neighbourhood, home to a host of pubs, restaurants, independent shops and essential services.

TENURE

There has been much in the media of late relating to Leasehold properties and escalating Ground Rents.

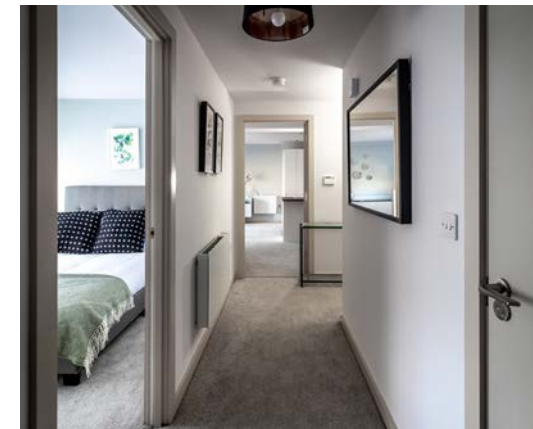

The apartments in Woodview are being sold on a leasehold basis as it is usual practice for apartments, and importantly, this facilitates mutual rights between occupants of shared buildings such as this.

Our apartments are offered for sale with a 999 year Lease subject to a Peppercorn Ground Rent (£1 pa) and as each property is sold the new owners will acquire a 1/34 share in the Management Company.

When all 34 properties are sold , the Freeholder (our client) will pass the Freehold to the Management Company which is effectively ALL of the owners at Woodview., who will therefore have full control of their development.

PARKING

1 bedroom apartments are provided with 1 parking space. 2 bedroom apartments are provided with 2 parking spaces. Additional spaces can be requested but are subject to availability.
